
Financial Tearsheet

Company Overview

WidePoint (NYSE: WYY), a publicly traded corporation, is a leading provider of managed mobility services, telecommunications lifecycle management, and cybersecurity solutions.

We deliver secure, cloud-based, enterprise-wide information technology-based solutions that can enable commercial enterprises and government agencies to deploy fully compliant IT services in accordance with government mandated regulations and advanced system requirements. We offer unique solutions in certificate-based security solutions, wireless telecommunication expense management systems and associated consulting services.
