Company Overview

Amazing Energy Oil and Gas, Co. is an independent oil and gas exploration and production company headquartered in Plano, Texas. The Company's primary leasehold is in the Permian Basin of West Texas. The Company controls over 75,000 acres between their rights in Pecos County, Texas and assets in Lea County, New Mexico, and Walthall County, Mississippi. The Company primarily engages in the exploration, development, production and acquisition of oil and natural gas properties. Amazing Energy's operations are currently focused in the Permian Basin and Gulf Coast regions. AMAZ's management understands what is required to build an oil and gas company from the ground up, having successfully done so on more than one occasion. With over 200 years of combined experience in the oil and gas industry, coupled with new technological advancements, careful geological evaluation, and reservoir engineering, coupled with long-established industry relationships, AMAZ has the components in place to build another profitable and successful public oil company.
